Academy Art Museum Seeks Local Artists for 2011 Craft Show

(Easton, MD) – The Academy Art Museum Craft Show, to be held October 21-23, 2011, is a juried show, drawing more than 60 distinguished artists from 15 states. The event features recognized masters and promising emerging artists, accompanied by their collections of exceptional fine arts – all for sale. Featured items include basketry, clay, decorative fiber, wearable fiber, furniture, glass, jewelry, leather, metal, paper, sculpture, toys and wood.

The artist deadline for the 14th Annual Craft Show is April 1, 2011. Local artists are encouraged to apply for admission to the show. According to Boots Michalak, Chairman of the event, “The selection process is thorough, bringing together a broad range of artists who represent the best of their category.” She adds, “The show can give local artists the opportunity to present their work to a large audience of prospective buyers.”

Artists are encouraged to apply online. The application fee is \$25 and applications must be accompanied by three images of the artist’s work, as well as an image of the artist’s booth display.
